Dear Sir:

RE: US Patent Application No: 10/724,367  
Applicant: Carl Pinsky et al.  
Filed: December 1, 2003  
Examiner: Bot L. Ledynh; Group No.: 2862  
Title: DETECTION OF ELECTROMAGNETIC FIELDS  
Deposit Account No.: 192253

With our letter of July 20, 2007, we provided to you a portion of your statements to us with respect to our deposit account having the above number. We have received no response to that letter despite reminders concerning the same.

In particular, we refer to the item charged May 25, 2007, with respect to excess claims fee in excess of 20 for application No. 10/724,367 (our ref. 9029-7). It is believed that this charge is erroneous.

While there were 31 claims filed with the application, additional claims fee were paid in response to a Notice to File Missing Parts by our letter of July 6, 2004. This payment appears to have been overlooked.

As a response to a restriction requirement, the claims pending in the application were restricted to claims 16 to 20 and claims 26 to 31. These claims were

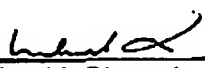

- 2 -

amended in the Amendment submitted May 16, 2007, but no excess claims fees were required with respect thereto.

Accordingly, it is requested that the Office refund the charge made to our deposit account in this regard.

Enclosed are copies of the correspondence we have directed to you.

Yours very truly,

Alexandria, VA 22314

Dear Sirs:

**RE: Deposit Account No. 192253**

We enclose a portion of your statement to us with respect to our deposit account having the above number. We refer to the item charged May 25, 2007, with respect to excess claim fees in excess of 20 for Application No. 10/724,367, our reference 9029-7. It is believed that this charge is erroneous.

While there were 31 claims filed with the application, the additional claims fee were paid in response to a Notice to File Missing Parts by our letter of June 6, 2004.

As a response to a restriction requirement, the claims pending in the application were restricted to claims 16 to 20 and claims 26 to 31. These claims were amended in the Amendment submitted May 16, 2007, but no excess claims fees were required with respect thereto.

- 2 -

Accordingly, it is requested that the Office refund the charge made to our deposit account.

Respectfully submitted,

Michael I. Stewart

Dear Sirs:

RE: U.S. Patent Application No. 10/724,367  
Inventor: Pinsky et al.  
Title: Detection of Electromagnetic Fields

We have received no response to our letter of July 20, 2007 and no refund of the incorrectly charged excess claim fees. It is requested the Office advise when this matter will be attended to in view of the period which has lapsed since our original letter. A copy of our letter of July 20, 2007 and its enclosures are enclosed for reference.

Respectfully submitted,
